Christmas and New Year Message

Dear ones,

This year is going out and the New Year will soon be ushered in. The present year is gone old. Let it depart. You need not worry. It had been kind to you; not so kind as it should have been. But God willed it so.

However, you must strive to be different from what you are during the present year. Strive to reach Him; be a true devotee; crave for blessings from the Almighty. Pray for His mercy. Promise unto Him that you will go up the

Divine Path at any cost and nothing shall deter you from achieving this object.

The New Year will be happy for you if you do not waver in the Divine Path or slacken your pace therein. Remain firm and go ahead, caring for none and heeding none except the One - The Master. Follow your Master with full faith embedded in your heart. If the faith in the Guru dims, the disciple falters and falls. Faith carries him forward in the regions which are otherwise impossible of traversing.

This New Year means a new life to me and those who are attached to me in the noble cause of God. In this period we have to make sacrifices which alone lead to Bhakti. These sacrifices will be of one's low desires, hatred, ill will, malice, name and fame, pride and egoistic life. Unless we are ourselves symbols of sacrifices, we cannot advance any further in the Divine Path. Without sacrificing all that we have, how can we reach His Bhakti?

New Year has come. Be new; leave the sloth of the old. Implicitly follow what is required of you. You failed to do so this year and you suffered. The mistakes are not to be repeated.

A central place of worship should be established in the East and West of U.S A. and everywhere, where the refreshing waters of "NAAM" may rain forth to soothe the lacerated hearts of thousands and thousands of the grief-stricken human beings. They are unhappy because they are drifting away from Him evermore. Blessed are they who are chosen in the set up of Master's work.

The Christmas and New Year is starting with happy congratulations. May your life be devoted to the service of the Lord and the Guru. May your body and mind get imbued with intense love for the Beloved.

The teachings of the Masters have been:

- (i) "He who loveth not his brother abideth in death;
- (ii) "My children: let us not love in word, neither in tongue, but in deed and in truth;
- (iii) "Beloved: let us love one another (especially who are linked with the silken bonds of love of true brotherhood at the feet of the Master), for love is of God and every one that loveth is born of God and knoweth God;
- (iv) "He that loveth not, knoweth not God; for God is love;
- (v) "God is love. And he that dwelleth in love, dwelleth in God and God in him."

The law of the Kingdom is love. The entire code of conduct of one who belongs to the Kingdom may be summed up in two thoughts:

- (i) Love of God, and
- (ii) Love of man.

Let us live a new life of peace, harmony, and love. The essence of religion is love, peace, humility, service, and sympathy. Love all - not merely your relatives and friends. Love the sinner, too. Bless them that curse you.

Pray like Guru Nanak:

"Peace be unto all the world over, under Thy Will, O, God."

With all love.

Yours affectionately,

Kirpal Singh
